 Login to University Mail

Please fill in the form:

ALA-TOO INTERNATIONAL UNIVERSITY

English ▾

Forgot password?

To start password reset process please enter the username given to you by University.

Username :	<input type="text"/>	<input type="button" value="Continue"/>
Example username : name.surname		

Create new password using regulations below:

ALA-TOO INTERNATIONAL UNIVERSITY

Assign new login password

Type your new password below

New password :	<input type="text"/>
Re-new password :	<input type="text"/>
<input type="button" value="Continue"/>	

**Password is the key to enter to the account and must be chosen accurately to protect the account.
The information below ought to be taken into consideration.**

- Must be at least 8 characters containing at least 2 numbers and 2 letters.
- New password CAN NOT be same with old one.
- Login and management passwords MUST be different.
- Do not let someone see your password while you enter it.
- Do not tell your password to someone else.
- Do not tell your password in everyday life (in buses, in cafeterias etc.) loudly.
- If you are doubtful that your password might have been known by someone else change it as soon as possible.
- Change your password in regular intervals.

That's it, now you can access your alatoos.edu.kg account with the new password.
If you still have a problem with access (system is closed) please contact the group advisor.
